WORK EXPERIENCE

Q Dev Digital Private Limited [Job Title]

[June 2021-January 2022]

6 months of working experience as a **Flutter Developer**. Was a part of the UI development of an app named Teer Up that is hosted in the play store and app store.

PROJECTS

I have developed a **budget calculator web application** using **MEAN** (MongoDB, Express, Angular, and Node.js). Using this app, you can register your account and log in to add credit or debit transactions that help you to track your budget. GitHub reference link server:

<https://github.com/nsmina09/budget-calculator-server.git>

GitHub reference link UI: <https://github.com/nsmina09/budget-calculator-angular.git>

I have developed the UI of the Netflix app using HTML, CSS, Bootstrap, and JavaScript. I used TheMovieDatabase for API integration. GitHub reference link: <https://github.com/nsmina09/netflix.git>

I have cloned the UI of a travel blog site using HTML, CSS.
